

Recover in Comfort

Chair Rental Program

Are you facing surgery? Recovering from an injury?

Sleeping well and resting are two of the keys to a successful recovery. But too often, relaxing and sleeping after surgery or an injury can often be difficult because of pain and limited mobility. Even getting in and out of bed can often pose a challenge. Here's a solution to get you through this temporary situation to help ensure your speedy recovery.

We can help make you more comfortable as you recover with our unique Recover in Comfort chair rental program.

Choose* from one of the following:

- *Golden Technologies Lift & Recline Chair*
- *Human Touch Zero Gravity Recliners*

Here's how it works....

- Call us so we can help you decide which chair is best for you. (Doing this in advance is ideal, but not necessary.)
- \$175.00 per week ******(2 week minimum)
- \$75.00 Delivery and Pick up Fee (within 70 miles of 02494)

It's that simple!

*Chair models will be based on availability and up to the discretion of Backcare Basics. ** The two week minimum may be applied to the purchase of the chair if you decide you can't live without it!
